Australian unisce l'heritage del brand Made in Italy ad un design contemporaneo, grazie all'impegno di stampe innovative applicate a tessuti tecnici, mentre il tradizionale "gessato" viene rivisitato in chiave active dando vita a capi che incentivano le prestazioni e donano uno stile distintivo agli atleti. Il design e la vestibilità regular fit, combinati a silhouette ideate per la massima performance, consentendo all'atleta precisione e libertà nei movimenti. Molta attenzione alla collezione donna che con la linea ENERGY BLAZE presenta scollature rotonde, stampe sgargianti e la particolare cura dei dettagli al servizio della comodità.

*Australian combines the heritage of the Made in Italy brand with a contemporary design, thanks to the use of innovative prints applied to technical fabrics, while the traditional "pinstripe" is revisited in an active key, giving life to garments that encourage performance and give a style badge to athletes. The design and regular fit, combined with silhouettes designed for maximum performance, allowing the athlete precision and freedom of movement. Much attention to the women collection that with the ENERGY BLAZE line presents round necklines, bright prints and particular attention to detail at the service of comfort.*
